IT

Una serie progettata come un'architettura domestica chiusa da un guscio esterno fatto a mo' di corazza e piantata un po' minacciosamente su quattro gambe divaricate ma che poi rivela uno spazio imbottito di gran confort dove accoccolarsi e riposare lontani dallo stress quotidiano per raccogliere nuove sfide.

EN

This series, designed like a domestic architecture, is marked by an outer shell and 4 small legs. The comfortable upholstered shell gives relaxation from the hectic of daily routine and allows recharging the batteries.

DE

Eine Schale auf vier filigranen Füßen kennzeichnet diese Serie, die an eine häusliche Architektur erinnert. Der Sitzende wird so von einer komfortablen Polsterschale umhüllt, in der er sich von der Alltagshektik erholen und neue Kraft tanken kann.
