IT

Una collezione di sedute flessibile e con svariate modalità d'impiego. Grazie alle diverse altezze, tipologie di braccioli ed inclinazioni seduta, questa linea si adatta bene all'arredamento di diversi spazi. Trattasi di aree lounge, sale d'attesa o di ristoranti, café o pub, Aris soddisfa egregiamente ogni esigenza d'arredo funzionale con elementi imbottiti di ottima finitura.

EN

A flexible seating collection with a large variety of applications. Thanks to the different armrest variants and two back heights, as well as two available seat heights and back inclinations, this model is the optimal partner for many different types of room set-ups. Whether for a lounge, a waiting room or a resting area, or with the higher seat and upright back for restaurants, cafés, pubs, Aris meets every requirement for functional and optimal upholstery furniture.

DE

Eine flexible und vielfältig passende Sitzkollektion. Aufgrund der unterschiedlichen Armlehnvarianten und Rückenhöhen, sowie unterschiedlichen Sitzhöhen und Rückenneigungen, ist dieses Modell in vielen Raumsituationen der optimale Partner. Ob für Lounge, Warte- und Ruhezone, oder durch die Variante mit höherem Sitz und aufrechtem Rücken für Restaurants, Cafés, Pubs, Aris erfüllt jede Anforderung an ein funktionales und optimales Polstermöbel.
