## IT

Compatta. Bella. Senza tempo. Questa è elba progettata ad Amburgo dal Team internazionale JOI-Design. Con forme arrotondate, e belle rifiniture come le cuciture a vista e la base in metallo, la collezione risulta leggera e versatile grazie anche alle molteplici combinazioni di materiali per il rivestimento e diversi colori per le basi. Elba prevede diversi elementi: poltrona con e senza braccioli disponibile anche con bracciolo singolo sinistro o destro, divano, loveseat, chaise longue, e panca. La collezione ben si adatta all'impiego sia nel contract che nel privato.

## EN
