IT

N@t poltrona lounge creata dal designer tedesco Martin Ballendat appositamente per la comunicazione contemporanea privata e in viaggio. Superficie lavorativa e scocca seduta si uniscono ad una curva organica, quasi erotica, confortevole, pratica e compatta. Un simpatico richiamo visivo per zone lounge e relax, nell'ufficio come nell'area privata.

EN

N@t lounge armchair created by the German designer Martin Ballendat for the contemporary communication – private and on the way. Working surface and seat shell connect to an organic, almost erotic loop. Comfortable, easy and compact. A friendly eye catcher for lounge and relax areas in the office or at home.

DE

Der deutsche Designer Martin Ballendat schuf N@t Loungesessel für die zeitgemäße Kommunikation privat und unterwegs. Arbeitsfläche und Sitzschale verbinden sich zu einer organischen, fast erotischen Schlaufe. Bequem, praktisch und raumsparend. Ein sympathischer (netter) Eyecatcher für Foyers und Relaxzonen im Office oder den Privatbereich.
