seat height available also with 650 mm  
Sitzhöhe verfügbar auch mit 650 mm

## IT

Una poltrona morbida, con curve dolci e dettagli femminili: i piedi anteriori che portano e circondano armoniosamente la seduta della poltrona, i ritagli di luce posteriori, che concedono una leggera visione della persona seduta, come anche le curve morbide e femminili del guscio permettono un soggiorno elegante e piacevole.

## EN

Tender, in Vienna also called "Soferl", appears this elegant chair with soft curves and feminine details: The front feet that carry and enclose the seat lovingly, the distinctive and breezy cutouts in the back that allow a glimpse of the sitter as well as the feminine curves and tapers of the seat shell allow a stylish and enjoyable stay.

## DE

Zärtlich, auf Wienerisch auch Soferl genannt, zeigt sich dieser elegante Sessel mit weichen Kurven und femininen Details: Die Vorderfüße, die die Sitzschale liebevoll tragen und umschließen, die markant luftigen Ausschnitte im Rücken, die einen kleinen Einblick auf die Sitzenden erlauben, wie auch die weiblichen Rundungen und Verjüngungen der Sitzschale erlauben ein stilvolles und genussvolles Verweilen.
