## IT

Viene la voglia di immergersi dentro a tutti quei morbidi cuscini. La forma è rassicurante e gradevole nello stesso tempo. Arreda sia un ambiente moderno sia un country e perfino un classico, per la ricchezza delle finiture. Il cuscino del bracciolo funge anche da vero schienale per sedere uno di fronte all'altro.

## EN

It makes you want to relax into all those soft cushions. The shape is reassuring and pleasant at the same time. It furnishes both a modern environment and a country and even classic, for the richness of the finishes. The armrest cushion also serves as a real backrest for sitting opposite each other.

## DE

Es macht Lust, sich in die vielen weichen Kissen fallen zu lassen. Die Form ist beruhigend und angenehm zugleich. Es bietet sowohl eine moderne Umgebung als auch ein ländliches und sogar klassisches Ambiente. Das Armlehnkissen dient auch als echte Rückenlehne, um einander gegenüber zu sitzen.
