IT

Gran classe, proporzioni dimensionali ottime. Gli elementi centrali e le diverse meridiene, come pedine di un domino, formano divani e composizioni ad angolo molto originali e soprattutto modificabili solo spostando gli elementi fra loro. La scelta fra cuscini con varie larghezze di schienale consente di esprimere il proprio concetto di spazio e di variarne a piacimento la posizione.

EN

Great class and excellent dimensional proportions. The central poufs and chaise longue elements form original sofas and corner compositions like a domino which can be easily modified just by changing their positions. The availability of back cushions with various widths allows you to express different concepts of space just by moving them as you like.

DE

Große Klasse, hervorragende Proportionen. Die zentralen Hocker und Chaise Longue-Elemente bilden wie die Spielfiguren eines Dominosteins sehr originelle Sofas und Eckkompositionen, die durch Verschieben der Elemente untereinander verändert werden können. Die Wahl zwischen verschieden breiten Rückenkissen ermöglicht es Ihnen Ihre Räume nach Belieben zu gestalten.
